

How to refer a client to clarvida[®] Pennsylvania

As a national leader in health and human services, we are experts at tackling the complex challenges facing people across America. We deliver innovative, personalized, community-based solutions across counseling and therapy, foster care, child and family services, supported housing and employment, autism services, and Assertive Community Treatment.

How does the referral process work?

Option 1: Online Inquiry Form

- Visit our website and complete the [online inquiry form](#).
- Clients can typically expect to hear from the Clarvida team within 1 business day after submitting the online inquiry form.
- The Clarvida team will follow up directly and call with the client to verify all required information needed to proceed with intake.
- Next, we review the availability of our clinical staff to identify a provider whose schedule aligns with:
 - the family's preferred days and times
 - the client's clinical needs
- If everything aligns, we schedule the initial intake appointment, which is the first step in starting services.
- A parent or legal guardian is required to be present for the initial appointment for clients under the age of 14.
- If ongoing collaboration of care is required across providers, the Clarvida team will reach out with the appropriate consent forms directly to the provider.

Option 2: Call Clarvida Directly

- Clients may also begin the referral process by calling Clarvida's general phone number.
- When the client calls in and we have not worked with them before, our team begins by verifying all required information, including:
 - demographics and contact details
 - insurance coverage
 - any other necessary intake information
- Next, we review the availability of our clinical staff to identify a provider whose schedule aligns with:
 - the family's preferred days and times
 - the client's clinical needs
- If everything aligns, we schedule the initial intake appointment, which is the first step in starting services.
- A parent or legal guardian is required to be present for the initial appointment for clients under the age of 14.
- If ongoing collaboration of care is required across providers, the Clarvida team will reach out with the appropriate consent forms directly to the provider.

Who can refer to Clarvida?

- Providers (doctors, social workers)
